

BRUNSWICK STREET GALLERY

Botanical

Exhibition brief

Bold and hardy, yet somehow also delicate and fine, Australia's native flora offers a myriad of forms and hues for the artist to explore. Drawing on the tradition of botanical sketches as part of scientific exploration, *Botanical* invites submissions from artists whose work explores Australian plant life, and encourages works with a broad, or abstract approach as well as lifelike representations.

Brunswick Street Gallery welcomes applications from artists working in both 2D and 3D mediums.
