# KINGDOM OF THE MONARCH MEXICO TOUR

## Benefiting Wimberley's EmilyAnn Theatre & Gardens

**Friday February 9 - Thursday February 15, 2018**

**7 Days / 6 Nights**

Enjoy our exciting ecological and cultural adventure. Fall in love with the Monarchs as you spend 2 days including Valentines day with tens of millions of Monarch butterflies! Experience one of the world's most astounding natural events featuring the delicate Monarch at two different sanctuaries in Mexico where they "winterize" prior to making a remarkable springtime 3,000 mile journey to the northeastern US and Canada. Along the way we'll take a boat ride with a local birding expert through floating gardens and canals of Xochimilco and explore Coyoacán, one of the most well preserved colonial areas of Mexico City to experience the art and culture of artists Frida Kahlo and Diego Rivera.

### Day 1 Texas to Mexico City

Depart Texas for Mexico City and the wonders that await. Upon arrival, we'll transfer to our 4 ½ Star Tripadvisor rated hotel where you'll have free time to get settled in your hotel room. We gather this evening for a welcome dinner at the award-winning Taberna del Leon.

## Day 4 Kingdom of the Monarchs

After lunch hike the many trails at the 70 acre resort or swim in the natural therapeutic mineral pools. Book a spa treatment. Your choice! 6:00 pm Cocktails or other drinks (not included in the price) will be offered while a Monarch movie (documentary) is presented with an expert-led Q&A session. Dinner on your own at the hotel restaurant.
