

Week #27: March 11-15, 2019

Room 6's Weekly News

- **It is the last week of the third quarter! Eeeekk!...**that means 5th grade is right around the corner. Fourth quarter is a time to shine and leave your mark on room 6! ☺
- **Students should be taking any daily work that is unfinished home to complete for homework.** This is something we talk about each day when we complete our planners, and students should understand their responsibility. **Nightly homework also includes reading and Spelling City.**
- **Students with missing work in any academic areas will receive a P or U in effort on third quarter report cards.** I have been sending notes home, having students work at recesses, and using in class incentives encourage work to get done. Students with missing work have made a choice to not follow through with their responsibility. We have talked about this as a class.
- **On Thursday afternoon, I will be heading to Fresno State for the Peach Blossom Festival with the finalists from Manchester.** Mr. Wheeler will be covering our class. If you have any messages for students, please call instead of text or email on Thursday afternoon.
- **On Friday afternoon during our Fun Friday time, we will have some St. Patrick's Day treats.** If you would like to send a treat on Friday to share with the class, I am sure we will have some happy kids.
- **Mariposa Study Trip permission slips are coming home this week. This trip is on Friday, March 29th.** Please complete the permission slip and return it to class. There is no charge for this trip, as we are using class funds and FUSD provided our bus. We will leave Manchester at 7:30 and return at 4:00. Students will need transportation to and from school that day. Students and chaperones will need to bring a sack lunch for the trip.
- **Our Sacramento Study Trip will be on Tuesday, April 30th.** This trip is still awhile out. I will send more information home later, but I wanted to make you aware of the date.
