

Mariposa Study Trip

Gem & Mineral Museum/Mariposa Museum & History Center

This Friday, March 29, is our study to Mariposa. Below are a few reminders.

- Be at school at 7:30. Make sure you have already eaten breakfast since this is before breakfast is served.
- Chaperones need to park on the west side (freeway side) of Thesta or on the grass behind rooms 26, 27, and 28 in the back of the campus.
- PLEASE Let me know if carsickness could be an issue for your child.
- There is a gift shop at both museums, so students are welcome to bring money if they would like to. All students are responsible for their own money and purchases.
- Students and chaperones need to bring a sack lunch with a drink. Please make sure student lunches are labeled with your child's name. Student lunches will be placed in the storage area of the bus.
- Students may pack a few snacks and a water bottle for the drive. Water is the only beverages students may have on the bus (Parent chaperones may bring coffee or soda for themselves). No candy, gum, or seeds allowed.
- Students may bring electronics for the bus ride, but must have ear buds/phones. Students are responsible all personal items. Make sure you label everything you bring. Books are a good choice as long as your child does not get carsick.
- The bus will arrive back at Manchester by 4:00 that afternoon, please meet your child at Manchester at that time.

I have the following parents scheduled to attend.

- Karla Valdavinos
- Victoria Hernandez
- Maya Brewer
- Columbia Nelson
- Susan Castanda
- Emily Spencer
- Nichole Walsh
- Jesus Murillo
- Bernice Hoyos
- Carlos Velasco
