Honorable. Board of Supervisors,

On January 26, 2010, the San Mateo Parks Department and Midcoast Parks and Recreation Committee held a public meeting on a proposed conceptual design for the California Coastal Trail from Mirada Surf to Pillar Point.

The north end of this segment (Pillar Point) has a parking lot which is slated for improvement this year. The middle section traverses the Pillar Point Harbor Parking Lot and Surfers Beach where there are parking problems, but not an absence of parking. At the south end of this segment, the entrance to the new Mirada Surf trail section, there is no public access parking at all. The Midcoast Community Council recommends the immediate development of an action plan for public parking in this area.

Sincerely,

[SIGNED]
