Honorable. Board of Supervisors,

The MCC has heard a presentation of the sustainable demonstration project at the Fitzgerald Marine Reserve (Fitzgerald). This project will make an important contribution to the Midcoast by the enhancements it will make to Fitzgerald.

Furthermore two components are of importance beyond their benefit to Fitzgerald:

- The Stormwater Pollution Prevention Demonstration Parking Lot
- The Interpretive Center with a meeting space for 40 people

Environmentally sound parking facilities and public meeting spaces are both critically needed in our area. We strongly support efforts to secure the needed funding for these projects.

Sincerely,

[SIGNED]
