Midcoast Community Council Members

At the MCC meeting on June 22, 2011, I informed the council of approval from Supervisor Horsley to put the June 22 and July 13 meeting up on Video on Demand on MCTV.

In further discussion of this matter with Nicholas Calderon I determined that there was an opportunity to have all remaining MCC meetings recorded by MCTV. To make this worthwhile it would be necessary to purchase DVD copies of these meetings so that they could be transferred to PCT when PCT starts operations as our PEG provider.

This is a total of five (5) meetings. The cost per meeting is \$200.

VoD Charge	\$150
DVD Charge	\$50

There were sufficient funds in the MCC account that closed on June 30, 2011 to cover the \$1000 fee. I reviewed this with Bill Kehoe who concurred that this was a worthwhile expense.

This letter provides the council background for Item 3b on the consent agenda.

Sincerely,

s/Len Erickson  
Chair, Midcoast Community Council
