Public Comment

The public can comment on any item not on the regular agenda. The Committee, however, can take no action on these comments.

Regular Agenda

1. Update on the CCWD Pipeline project. Sponsor : Laura Stein If necessary, the committee might decide to write additional letters in support of an all-encompassing EIR for this project.
2. Discussion on the Draft EIR for the Manrao Executive Inn. Sponsor : Ric Lohman. Expected result is a letter to the HMB Planning Commission and/or City Council combining comments on the Draft EIR.
3. Discussion on outstanding permit requests. Sponsor : Ric Lohman. Expected results are comments on our method of tracking these requests and on the projects themselves.
4. Any emergency items that need to be dealt with before the next meetings of the MCCC or this P&Z Committee.
