Consent Agenda

The Council generally approves Consent Agenda items as a group, without discussion, but any item may be moved to the Regular Agenda upon request.

No items.

Regular Agenda

The Council may vote to take appropriate action on any of the following items:

1. **Discussion of community emergency preparedness issues and potential Y2K problems.** This will be a panel discussion format, with Lt. John Quinlan from the Moss Beach Sheriff's Substation, Battalion Chief Chris Maxwell from the Half Moon Bay Fire Department, and Shelley Evans, a Half Moon Bay resident, Red Cross volunteer, and Y2K researcher / author. We may also have one or more utility representatives. ***This topic may be of greater interest to the Montara / Moss Beach community as a result of the complete loss of telephone contact on November 2, an indication of potential emergency problems for the community.*** Estimated Start: 8:00 p.m. Sponsor: Joe Gore.
2. **Update on continuing Council projects.** Brief status reviews, and possible direction, on in-progress projects, including: El Granada Water Transmission Pipeline Replacement Project, Highway 1 Intersection Upgrades, Manrao Executive Inn Motel, Mirada Surf, Moss Beach Highlands, and others.

Regular meetings of the Midcoast Community Council are held the second and fourth Wednesday of each month. *See other side for the regular Order of Business.* Agendas are posted in the El Granada, Montara, and Moss Beach Post Offices at least 72 hours before each meeting, and are available electronically at the Council's Web site.

Congratulations to newly-elected Council members April Vargas and Chuck Kozak, who will take office at the December 8 Council meeting.
