San Francisco, Ca. 94120-7310

Dear Mr. Penneaker:

I am writing to thank you for the courtesy you extended on July 17, 1992, when you phoned to extent an apology on behalf of Caltrans, for missing the field trip that was planned specifically for the proposed by-pass on Devil's Slide.

I sincerely appreciate this, and the time you spend discussing this issue with me. Also passing along the names of the people with Caltrans that are directly involved on our local level.

As I mentioned the Midcoast Community Council is most interested in learning all that we can about this and the different options and variables involved. So that we are able to keep our communities informed and respond to our constituents.

Again thank you, and we do look forward to a time in the near future when Caltrans will speak on the subject to all of the members of the Midcoast Community Council and to the time that another field trip will be scheduled.

Sincerely,

Sally R. Campbell  
Co-Chair
