Re: Citizen's Utilities Company of California -
Rate Increase Application Pending
Before the California Public Utilities Commission

Dear Mr. Dove, Chairman and Members of the Council:

As you know, Ms. Susan Ayers of your Advisory Council appeared before the San Mateo County Board of Supervisors on January 21, 1992 and requested the County's assistance regarding a rate increase application recently filed by the Citizen's Utilities Company of California. In response to the Advisory Council's request, the Board of Supervisors directed this office to file an appropriate protest with the California Public Utilities Commission regarding the proceedings.

Please be advised that this office will file an appropriate protest with the California Public Utilities Commission, challenging the rate increases sought by the Citizen's Utilities Company. This office also intends to appear and participate in the Rate Hearings which are presently scheduled to take place in San Francisco in the early part of March, 1992.

Should you have any questions concerning this matter, please feel free to contact Deputy County Counsel Milton H. Mares. He can be reached at telephone No. 363-4761.

Very truly yours,

THOMAS F. CASEY, III,
COUNTY COUNSEL
