Subject: Midcoast Community Council (MCC) resignation, effective Dec 4, 2018

Supervisor Horsley and Midcoast Community Councilmembers:

In order to accept appointment to fill a recent vacancy on the San Mateo County Planning Commission, I hereby submit my resignation from the Midcoast Community Council, effective December 4, 2018.

Incompatibility of office prevents me from continuing the MCC role I have been privileged to fill for the last seven years.

Best wishes to my fellow councilmembers in your continuing efforts to engage and inform the community and provide effective advocacy to County government for the unincorporated Midcoast.

Sincerely,

Lisa Ketcham
