RE: "Keeping the Coastside Connected" Legislative Hearing April 25, 2019

Dear Assembly Member Berman:

On behalf of the City of Half Moon Bay and the Midcoast Community Council, we would like to thank you for taking the time to hold the Legislative Hearing on Coastside connectedness on April 25th at Half Moon Bay High School. This was a critical and much-needed community dialogue. The event was well attended, great conversation was sparked, and we are confident that this process is moving in the right direction.

We appreciate you dedicating some time for the Coastside during a busy legislative session. Emergency Preparedness on the Coastside is a priority for all of us, and we feel that our community is encouraged knowing it's a priority for our legislative representatives as well. We look forward to working with your office in the future to increase connectedness and preparedness on the Coastside.

Please let us know if you have any questions or how we may be of help in the future.

Thanks again,
