

Standard Colors SILICONIZED POLYESTER

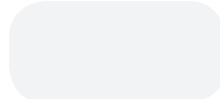

★ ENERGY STAR Color
Polar White is a Straight Polyester.

- Final color selection should be made from actual color chips.
- For the most current information available, visit our website at www.dbci.com.
- Most colors have a 30-year film integrity limited warranty. Numbers located below the actual color chip denote the number of years the color is warranted against chalking or fading. Polar White and Glossy White do not have a chalk and fade warranty.
*Indicates a 10-year film integrity limited warranty.

† This paint contains more than 0.06 percent lead and, under 13 CFR 1303, should only be used for applications which comply with federal, state and local regulations for lead-containing paint.
