

Tucker & Toffee

14 & 5 year old Miniature pony geldings

Tucker and Toffee are full of spunk and personality and are eager to learn. Both ponies relate well to our first-time riders, who appreciate spending time with smaller, less intimidating animals. Tucker is always curious and ready to help his rider. Toffee enjoys working with our youngest students. Our smallest equine in the barn, he is a perfect match for a shy or quiet rider.

Generously leased to LTRC by Maggie Keller and family.
