Quiet, reliable, and friendly Shetland ponies Acorn and Nibbles are father and son LTRC ambassadors. They'll go anywhere, and we mean anywhere, to represent LTRC. They have been inside restaurants, walked a military ropes course, attended picnics, parties and functions, dressed up for events, walked around an ice rink, and visited countless groups who would otherwise not have an opportunity to meet a horse or pony. Both are wonderful additions to LTRC and are used in therapy lessons at all levels with our smaller riders, as well as in our groundwork programs.
