Stay and Play

This class is a peaceful, unstructured afternoon hour for all children to attend on the days that they are enrolled at Good Shepherd Episcopal School. It is directed and staffed by our own teachers Monday through Friday from 1:00 – 2:00. It is a time for the children to play together after a busy day at school, and a time of flexibility for those attending After School Enrichment Programs.

The following information will prepare you and your child for attendance in Stay and Play:

- Parents of twos and threes should send a complete change of clothes (socks included) and/or diapers in the child's backpack on the days they attend Stay and Play. This is in addition to clothes that are sent to be kept in the classroom for the morning program.
- Dismissal for students attending Stay and Play will take place as part of the regular dismissal of all classes.
- A late fee of \$1.00 per minute will be assessed for children who are not picked up by 10 minutes past the hour.
- As the year begins, keep in mind that your child's adjustment in the school program is of primary importance. Please consult with your child's teacher about whether participation in any extended program is appropriate.
