V1

Of this one thing I am certain
I am blessed beyond compare
Jesus saw me lost and broken
And refused to leave me there

V2

What a gift it is, my Savior
Longed so deeply for my heart
Heaven could not hold his favor
Until I received my part

Chorus

On the earth he shared my burden
On the cross he bore my shame
On that night death had it's way, but
On that morning I was saved

V3

Love beyond all comprehension
God Himself becoming man
Siding with the worst offenders
Offering His holy hands

Bridge

When the stone was rolled away
When He walked out of the grave
All my nights returned to day

V4

I will lift his name in reverence
Until I have reached the end
When I rise to stand before him
I will sing this song again
