

Meet Jane

Jane Shank has been a part of the Washington Community since 1989. She is a member of Iowa Artists (region 12), IWOCPC Iowa World Organization of China Painters, and SEIAST (Southeast Iowa Artist Studio Tour).

Jane sold her first painting at age six (a robin in a nest) to a nice neighbor who paid her a firm price of 10 cents. Drawing, painting, clay-work, and design has always been a part of her identity. Although she has little formal education she has attended numerous workshops and worked with several mentors to improve her work over time. Jane enjoys working in oil, watercolor, pastel, and china paint. As a professional the artist uses her talent as a graphic designer. Digital art and her photography experience is helpful in the occasional commission request.

Most recently this artist and Richard Gilmore have partnered their talents (with the loving support of their spouses) to bring Art Domestique to the Washington community. The Art Gallery exhibits art from artist who live in Washington and surrounding area.

Jane Elizabeth Art will be on display and for sale at Art Domestique in October during the SEIAST (Southeast Iowa Artist Studio Tour) Maps are available at the gallery, throughout Washington and the 5 participating counties.
