

# Meet Bev & Allen

Dublin Weavers began in 2005 following a couple of weekends in Bentonsport National Historic District with 'Betty', owner of Iron & Lace, giving us lessons in loom weaving. Then we were on our own, but what to call us...

Living next door to the old Dublin Store it seemed appropriate to call ourselves the "Dublin Weavers."

Our friend Eldora told us the family of Jim Hesser was having an auction and there would be two of Jim's looms for sale. Allen went to the sale and came home with looms. We were in business!

In the last ten years our wares have gone to California, Canada, Florida, Michigan, Illinois, Minnesota and all over Iowa.

Some of our products are made from recycled fabrics, all our products are machine washable.
