

# Meet Jamie

Hello, I am Jamie Sobaski, owner of Spotlight Photography. I began Spotlight in 2003. I live outside of Washington on 10 acres. I am married to Aaron and together we have three beautiful children. Oaklee(7), Bryer(4), and Pryce(2). I also have two stepchildren. Coy(11) & Blake(9). We raise free range, all natural pork that we are now supplying to stores, even at our local Hy-Vee. We also have horses on our farm that we enjoy showing.

I am blessed to get to do a job I love and that has a creative outlet. My true passion is photographing babies and children. I feel that is where I do my best work. I get to be calm and collected and get my baby fix yet I get to be goofy and have a silly side. Basically, I get to play at work :-)
