

Meet Michael

Michael Myers is 28 years old from Washington, Iowa. At the age of 4 he started working in the woodshop with his dad and grandpa, Kevin and Don. He fell in love with the craft and continued to help his dad after his grandpa passed. It is still a loved hobby and he creates variety of craft items and custom orders.

In his current work he has made a harvest table and benches out of a barn from Hills, Iowa dating back to the early 1900's. One of his specialty items that is wildly sought after is the 6-point star. Given the idea by his wife, Cate Myers, he went directly to the shop to work out the measurements and angles. Michael is passing on the passion of wood working to his 4 year old son Cayden, keeping the traditional alive.
