Summary of Skills

Freelance mixed media artist with three years of gallery assistant, gallery coordination, and exhibition experience. Five years of customer service experience including managerial experience and marketing development. Graduated from Agnes Scott College with Bachelors of the Arts in Studio Art and a concentration in Art History.

Exhibited collaborative and self-driven projects that provided adequate challenge and personal artistic development, as well as, supported and influenced artistic development in a multitude of environments in relation to the teaching of the arts.

Skilled in articulating philosophical, historical, and methodological processes related to analyzing, viewing, and the creation of art. Ability to critically examine works for both cultural and visual relevance, as well as utilize theory to inform various institutional policies and practices. Practiced in publicly explaining theory and processes to diverse audiences and using it to effectively enhance understanding of works.
