

1/2 Front Door Kit

For Cat® C, D Series SSL/MTL/CTL

Supertrak is proud to offer an Industry Leading 1/2" Lexan® Front Door Kit for your Caterpillar® C-Series Models. The 1/2" Front Door Kit provides extra operator protection in operating environments such as applications like Forestry, Grading, or Recycling.

The 1/2 Door Kit provides a ridged fit without door flex and tighter door sealing for dusty environments such as Forestry, Grading, and Recycling.
