

The Winchester Multicultural Network addresses oppression in many forms.

We advocate for respect, equal rights,
and justice for all individuals,
regardless of race, gender, ethnicity,
religion, ideology, socio-economic
status, health, sexual orientation, age,
or physical ability.

We welcome your participation in our efforts to promote multiculturalism in Winchester.

We believe that multiculturalism is the process
of moving beyond tolerance toward the embrace
and celebration of the diversity in our community.

Join us in building a community that is
nourished by the richness of our differences, per-
spectives, experiences, and talents.
