

# Welcome to the Gap

Bridging the gap between this age and the next  
through intentional conscious evolution

# What is the Gap?

- ✦ An expanse of undeveloped consciousness between this dimensional level and the next
- ✦ In part, the gap exists when we fail to migrate out of historical, literal interpretation of spiritual texts
- ✦ The gap can be bridged by intention in our conscious awareness when we forsake the history for the mystery
- ✦ It is the gap that “Christ Consciousness” must fill

# How do we evolve our consciousness?

## We must become conscious that...

- ✦ Eden is not a place in history but a state of consciousness
- ✦ Pharaoh is representative of our own egoic nature and drive
- ✦ The “passover” is an event that occurs as our consciousness evolves, where our “firstborn” (flesh and blood body) does not have to die
- ✦ The divided Red Sea is our own dual consciousness
- ✦ Wandering in the wilderness is the willful migration between the dimensions

# How do we evolve our consciousness?

## We must become conscious that...

- ✦ ...Jacob's ladder is our DNA molecule - the place where the divine dwells within the heavens of man
- ✦ ...Mary is representative of humanity willfully impregnated with the seed of Christ
- ✦ ...Christ is growing within you and will soon "overtake" the garden
- ✦ ...we chose all of our lives experiences in order to be fully exercised in duality (the knowledge of good and evil)

How do we evolve our consciousness?  
We must become conscious that...

- ✦ The Bible is not a history book but a map that outlines humanity's conscious evolution

# Forsaking the history for the mystery, you are...

- ✦ ...the ark of the Covenant and in your consciousness lies an outer court, an inner court and a holy of holies - The Old Testament, The New Testament and the Book of Revelation
- ✦ ...you are Mary, corporate humanity, the Virgin. Virgin because never before had divinity penetrated biology
- ✦ You are the divine wrapped in the swaddling clothing of flesh and blood

# Forsaking the history for the mystery, you are...

- ✦ ...a peculiar treasure, a peculiar people because you carry within your framework evidence of the eternal, the spark of the divine
- ✦ ...carriers of exceptional ability that makes your heart beat, the synapses of your brain fire, the blood vessels contract to move congealed light through your body
- ✦ ...a unique amalgamation of God and man or  
EMANUEL

# Forsaking the history for the mystery, you are...

- ✦ ...the pearl found within the oyster
- ✦ ...the treasure hidden within the “field”
- ✦ ...the treasure in earthen vessels
- ✦ ...The Christ that resurrects the body from mortal to immortal
- ✦ ...I AM
- ✦ ...a miracle

# What is the Christ?

- ✦ John 8:58 “Before Abraham was, I AM.”
- ✦ Christ is the amalgamation of God and man - a successful merging of spirit and biology. Christ is not a name - it is the title of a divine being that has previously graduated from the earth school and has successfully resurrected “the body”
- ✦ When the angel spoke to Mary YOU said, “Let it be unto me as you have spoken.”
- ✦ You bear the seed of Christ within you

# As Christ, you...

- ✦ ...choose to surrender to all of your experiences (both good and evil, light and dark) that create the tapestry you call “LIFE”
- ✦ ...crave physical reality. You love the material realm and all the classrooms it creates for you.
- ✦ ...love to learn
- ✦ ...appreciate the full spectrum of emotions that are produced by this biological container called the BODY

# Getting there... to the other side of the gap

- ✦ An awakened soul realizes the power in thought and recognizes that we are on the cusp of entering into the “age to come.” In the New Testament we see two ages defined: This present age, where the egocentric human needs rules, regulations and boundaries to govern its renegade behavior. It is this age that Paul governed, laboring intensely until “Christ be formed in you.”

# Getting there...

- ✦ Jesus manifested the age to come called the “kingdom” when he displayed mastery over matter, or the material realm. Clearly he was not bound by our laws of physics. Jesus came to model for us a transcendent human being fully endowed with Spirit. Jesus found and forged the “way” to the Father, the creative eternal life giving source of all things. The Father is within you. The Father is the creative component resident within EMANUEL.

- ✦ As a human being endowed with this unique power to create and maintain reality we must recognize that it is in the cessation of judgement and bringing our consciousness into a place of allowing and accepting that will bridge the gap between this age and the next. It is through non judgement that we will rise from this limited spectrum of vibration. We must focus on things that are pure, lovely and of a good report. It is our judgment that maintains the environment of the third dimensional level. We are creative and when we focus our thought on something, mingled with the appropriate emotional value, we create more of what we focus on.

- ✦ Because the creator lives within the biology, WE CREATE every day NO EXCEPTIONS. Thankfully we have a “governor” on our ability to manifest - time - it is a great helper in learning these life lessons. By grace we have a time-gap between our thought and its manifestation lest we create what we think about. We must learn to take every thought captive unto the obedience of the Christ!
- ✦ Judgment IS THOUGHT mingled with an emotional component that sets the wheels of creation in motion!

- In a book titled, The Ancient Secret of the Flower of Life Volume 2 Chapter 17 “Duality Transcended” Drunvalo Melchizedek states:

*The possibility of ending duality is impossible as long as we remain in the consciousness of good and evil (eating from the tree). We have to transcend it and enter into a different consciousness (wineskin), but we cannot do that if we continue to judge.*

*As long as we continue to judge the events in our lives, we give power to them as either good or bad, which determines the course of our lives. To end it and then transcend it, we must step outside of this polarity. We must change and this change has to come in some way from our not judging this world. For it is in judging that we decide that something is good or bad. That is the basis of good and evil, or duality consciousness.*

# Why now?

- This is an ongoing process as the seed of Christ comes to maturity within humanity. The earth has been a perfect environment in which to cultivate a container suitable for habitation by “God.” MUCH has been invested in this process.
- Precession of the equinox - Earth’s pole moves circularly backwards through the constellations above the north pole every 2000 years pointing at a different constellation each representing a sign of the zodiac and expressing a different developmental characteristic in the consciousness of humanity at that time.

- Age of Taurus the Bull - Moses - Golden Calf - coming out of Egypt - the consciousness had the attributes of a “bull.”
- Age of Aries the Ram - Abraham and Isaac - the precursor to a sacrifice - the consciousness had the attributes of a “ram.”
- Age of Pisces - the time of penetration of the divine into humanity (Vesica Pisces) consciousness was that of a fish as it is pulled from the dense waters of human consciousness

Jesus told his disciples about his ultimate and impending departure and they were concerned where they would celebrate the Passover as was their custom...

- ✦ Jesus said, “Look for the man bearing the pitcher of water and follow him.”
- ✦ The sign of Aquarius or the water bearer is the constellation that is the image of a person pouring out water from a container
- ✦ This is the age where our dense human consciousness is poured out AND the age where we will celebrate the passover from mortal to immortal!

# History to mystery - Communion

- Broken bread - Jesus said take eat, this is my body
- The parable of the wheat and the tares
- How was Christ “broken?” Jesus was the lamb slain from the foundation - he willingly “broke his immortal status” by entering into mortality to become the pattern for death to self and resurrection of the body.
- Jesus said, “Unless you eat my body and drink my blood you cannot be my disciple
- The bread travels down the throat (symbolic of the grave Romans 3:13) and into the belly of humanity (Jonah - the belly of the great fish - vesica pisces the overlapping dimensions) unless you become fully human you cannot raise the mortal to immortal
- Jesus was stating that to become Christ you must lay down your immortal status becoming human, participating in the earth school, raising (saving) the body from mortal to immortal so that divinity can have useful expression in material realms

# History to mystery - Communion

- ✦ Do this in remembrance of ME (the Christ!)
- ✦ When did the men traveling on the road to Emmaus recognize Jesus and their eyes were “opened?”
- ✦ **Luke 24:30** When he was at the table with them, he took bread, gave thanks, broke it and began to give it to them. 31 Then their eyes were opened and they recognized him, and he disappeared from their sight.

# History to mystery - baptism

- ✦ Water is symbolic of dense human consciousness
- ✦ This willful immersion into the waters of human baptism (divinity becoming mortal, fully human) must happen if we are to master the forces that create material reality. We are reminded by the act of baptism that we are the divine that has lowered itself in seed form into a biological container (the human body) willingly laying down our immortal status as divine beings and wrapping ourselves in the swaddle of humanity. While in the waters we hold our divine breath and are immersed into dense human consciousness.

# You are the savior the “world” is waiting for...

- ✦ For what purpose have we come?
- ✦ The children of Israel wandering in the wilderness were getting bit by serpents and dying. The Serpent represents the egoic consciousness being raised from baseness (fear) to love. This brings ultimate healing of the body.
- ✦ But what happened with the serpent on the pole? Instead of “looking to it” to receive their healing they began to worship the image, burn incense to it. They were ordered to tear it down and utterly destroy it - to smash it to pieces.
- ✦ This symbol and its ultimate fate is exactly what is happening to the Christian faith. We have made Jesus into an idol when he clearly just wanted to point the “way” to the father.
- ✦ You are the savior the world is waiting for - there is not an external Christ

# Christ in you, the hope of glory

- Matthew 24:23 23 Then if any man shall say unto you, Lo, here *is* Christ, or there; believe *it* not. 24 For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if *it were* possible, they shall deceive the very elect. 25 Behold, I have told you before. 26 Wherefore if they shall say unto you, Behold, he is in the desert; go not forth: behold, *he is* in the secret chambers; believe *it* not. 27 For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. 28 For wheresoever the carcass is, there will the eagles be gathered together.
