Fashioned Macaroni and Cheese:*

Classic

Just the way you remember it as a kid, but better! Nostalgia at its finest - a tasty blend of American & Cheddar cheeses, doubled baked!

Parisian Mac

Mac-n-Cheese for the "upper crust". Creamy Brie, gruyere, roasted figs, and roasted shiitake mushrooms; Herbs de Provence in a creamy white wine sauce. It's addictive!

Greek Mac

Be swept away to the Mediterranean Sea - Feta cheese, sautéed spinach, kalamata olives, and roasted garlic.

Kickin' Mac

Cheddar & American cheeses with boneless chicken pieces, buffalo wing sauce, and bacon pieces. We'll even top it off with crumbled blue cheese if you'd like!

Antipasto Mac & Cheese

Italian cheeses, fresh basil, olives, sundried tomatoes, salami, and pepperoni all nestled together in one glorious gooey pasta.

Tex-Mexi Mac

Spicy chicken, roasted corn, black beans, asiago cheese, hatch chilies, and Mexican stewed tomatoes. Includes a side of sour cream & salsa.

Costal Mac

Clusters of fresh crab meat and lobster, bites sweet of roasted corn, gruyere, and havarti cheese in a gooey Chardonnay sauce. You can almost feel the breeze from the water...

Mac & Cheese bites

Our four cheese delight! Cheddar, Muenster, Gruyere and a touch of Pecorino formed into bite sized pieces, battered, and deep-fried goodness! Sprinkled with a touch of spicy hot Cheetos dust.

Mac & Cheese Truffle Tarts

Creamy mac and cheese with truffle oil and shaved black truffle slices. Gourmet adult mac and cheese at it's finest.
