

# MGV Machine Gun Las Vegas

Located minutes from the Las Vegas strip, Machine Guns Vegas is the only Vegas-lounge experience that lets you fire the kind of kickass artillery you've seen in the hands of highly-skill SEAL and Delta Force teams whether you're a beginner or novice shooter. Want to impress your guests with a new kind of venue—our one of a kind premier shooting range makes for an unforgettable, out of the box facility to host your next private party, wedding, or corporate event. From seated dinners to casual passed appetizer meet and greets, MGV's flexibility and customizations for each experience has been a key success in creating personable and memorable events.

Features include the use of our state of the art, custom 10,000 sq. foot facility with 10 shooting lanes—2 of those utilized in our private VIP lounge and range area should you want the next level of excitement all to yourself. Discover your inner gunslinger no matter what style of event here at Machine Guns Vegas.
