

Activ Service Advisory Committee Expressions of Interest

WA's largest not-for-profit disability services provider, Activ Foundation Incorporated ('Activ') is seeking expressions of interest from the wider community to join their Service Advisory Committee ('Committee').

The Committee is a standing committee and reports directly to the Board of Activ. The Committee meets quarterly to discuss issues surrounding service delivery, embedding of the client's voice in service design and identification of continuous improvement opportunities for the organisation.

The Committee is currently seeking additional members to ensure the continued representation of a broad cross-section of the community.

Whilst the majority of this Committee are made up of family members of people living with disability, individuals with a lived experience of disability are also encouraged to apply.

If you are seeking to enter into a Board in the future or just wish to add your valuable knowledge to assist with the development of the disability sector, this is a great opportunity to learn about Board and Governance responsibilities without taking on the full function of a Board Member.

Any individual wishing to explore this opportunity further is asked to submit their expression of interest to:

Latasha Kirton, Activ Executive Officer
