

These are the boys that sell and service the International Trucks and Farm Equipment, Maytag—Frigidaire—Speed Queen and Admiral Appliances in the Elk Point and Jefferson area.

Ray Solberg took over the Harvester Franchise in Elk Point in 1946. A Franchise which has been in constant operation under various owners since way back in the 19th Century, when it operated under both the McCormick and Deering names.

With him in the picture are Lyle Dempsey—salesman, Ronald Hoffman—parts manager, Dale Pierce—shop foreman.
