- ❖ Mr. Aslesen and I will be attending A.L.I.C.E. training. This acronym stands for Alert Lockdown Inform Counter Evacuate
“Training instructor led classes provide preparation and a plan for individuals and organizations on how to more proactively handle the threat of an aggressive intruder or active shooter event. Whether it is an attack by an individual person or by an international group of professionals’ intent on conveying a political message through violence, ALICE Training option based tactics have become the accepted response, versus the traditional “lockdown only” approach.” www.alicetraining.com
