<b>Host Organization:</b>	<a href="#">Food Rights Alliance</a> – Uganda <a href="#">Department of International Development Studies</a> , Dalhousie University - Canada

<b>Host Organization Details:</b>	<p><a href="#">Food Rights Alliance</a> (FRA) operates mainly through six thematic groups: Food and nutrition, Natural assets, Financial assets, Trade and Market access, Seed security and Bio Diversity, youth and interest groups, Governance and Policy. These are supported by five technical staff at the secretariat for direction and coordination. FRA activities are widely supported by its members especially regarding technical expertise.</p> <p>The Atlantic Council for International Cooperation's member and Canadian partner for this internship is the <a href="#">Department of International Development Studies</a> (IDS) at Dalhousie University. It is the mandate of IDS to educate undergraduate and graduate students as global citizens with the skills and understandings to promote global development, through both employment and civic engagement. The educational approach of the IDS Department involves both classroom-based and experiential learning. Through the work of Prof. Matthew Schnurr, the IDS Dept. also brings a strong history of research collaboration with the executive director of the Food Rights Alliance.</p>
