

Society for History and Graphics (SHAG)

Thursday, Oct 25, 7:00pm - 9:00pm

MICA, Brown Center, Room 307

(1301 Mt Royal Ave / Baltimore)

Black and White and Red All Over

Presentation by Joe Sullivan

Design using these three colors throughout history.

Bauhaus Art: *Where Did It Go?*

A Discussion

The recovery of art pillaged by the Nazi regime is well documented. However, the fate of Bauhaus art and craft (deemed "entartete kunst" or degenerate art dangerous to German culture) created at Weimar, Dessau and Berlin is rarely mentioned. Research what became of Bauhaus work created during the Nazi era in preparation for our discussion of this topic.

Next Meeting: November 17. Details to follow.
