## A film about Japanese Toys, Fashion & Punk Rock

Special Guest: Justin Kovalsky, writer/producer

A new documentary covering the converging worlds of Japanese toys, fashion and punk rock in the words of influential creatives with deep roots in DIY, punk and outsider attitudes. While in the U.S., several top artists and toy makers reveal profound parallels between their lives and those of their Japanese contemporaries.

## Skateboard Graphics

### An Historical Overview

Presentation by Oliver Jones of Shop Gentei

From the surf of Dogtown to your town to subterranean basements in the burbs, this attitude and imagery may be more than a subculture. Are you paying attention to design bound for destruction — the bottom of skateboards?
