Discussion: Graphic design and war — Vietnam and Iraq

Compare and contrast graphic design during the Vietnam War with graphic design during the Iraq War. Examine social, political and economic influences on design during these periods. Good starting point: <http://www.msnbc.msn.com/id/11781703/site/newsweek/> Please bring examples to the meeting. We will post printed work on the walls and lay other materials such as t-shirts and buttons (if any) on tables. Debbie Land will facilitate the discussion, but she isn't presenting. We're relying on everyone in our group to do some research, bring in materials and engage in discussion.

Next Meeting: Monday, August 20,
7:00am-9:30pm, MICA, Room 309.

One topic: Name our group...so be thinking.
