We will offer a wide range of programs with an intentional focus on individual growth and appreciation for the outdoors.

Employment Responsibilities & Requirements

All YMCA Camp Henry employees are required to complete a small number of short online training sessions covering topics such as WHMIS and AODA training needed for employment. Information on how to access the online training will be posted at a date to be determined, and completion of the training must be done before the start date of employment contract.

Employees who are rehired within the association will not be required to obtain a new CRC if there is one on file from within 36 months of the date of rehire. If the employee is rehired and the CRC is older than 36 months at the time of rehire, they will be required to provide a current one at their own expense. Failure to provide a criminal record check or providing a record check that is unacceptable to the Association will result in termination of employment placement without notice or payment. **An acceptable report will be on file on or before the first day of employment.** Criminal Record Checks must be original, dated within the calendar year of employment (2017) and they must indicate the employer is the YMCA of Western Ontario.
