Please prioritize up to three program choices that you would like to be considered for in this lottery. The selection is done randomly based on a number assigned to each registration and applicants will hear confirmation by November 16th, 2018. Applicants who do not receive their first choice program will be added in order on the waitlist for their first choice and then a spot will be held in their second choice until the camping branch confirms by phone that they would like to take that spot. Applicants who receive their first choice program will be automatically registered and confirmation will be sent by email. Applicants who have selected a program which has been filled will be entered in order on the waitlist for the indicated program and then registered for their subsequent choice. Registrations must be done in person, by email, or over the phone. Registration is not guaranteed for any program due to limited space. After November 19th registration will be on a first come, first serve basis.
