“Jan Cullinane is dynamic, informative, knowledgeable and most importantly a great presenter. There are many expert speakers, but only a few who engage the audience and apply their message so it is valuable for the listener. As an event planner and member of the Retirement Association's Program Committee I highly recommend her.

-Dave Robertson, AARC

Thanks very much for your excellent presentation. I heard only favorable comments from attendees throughout the rest of the evening. I hope we can work together again.

-Steve Rivard, American Express

You presented the results of your research on retirement in a way that was informative and interactive, which helped all of us think about our own hopes and concerns about retiring. It was obvious from the questions folks asked that they were very interested in what you had to say.

-Brian T. Carley, Partner, Deloitte & Touche

Your presentation was great (your book is too)! I do hope we are able to work again together in the future.

-Jinnifer Calabrese, Central Resources Coordinator, Fifth Third Bank

You did an outstanding job! It was a perfect way to end a long day. It was both entertaining and enlightening.

-Kelly Lang, Director of Development, Good Samaritan Hospital Foundation
