

Mark Your Calendars

Summer Registration

Thursday, August 9, from 10:00 AM - 7:00 PM

A parent from each family should plan to come in during this time. This is the time to pay student fees, put money on the family lunch account, verify emergency contact information, and receive other start-of-the-year information.

Kindergarten Orientation

Monday, August 27, from 6:00 - 7:00 PM

Open House

Wednesday, August 29, from 5:00 - 7:00 PM

This is a chance to visit your child's classroom before the first day of school. You may also bring your school supplies at this time.

First Day of School

Tuesday, September 4

Class begins at 8:30 AM. Dismissal of bus riders will begin at 3:20 PM. Once the buses are gone, those students being picked up are dismissed. More information in this regard will be available at summer registration.

Important Notice Regarding Medicine Pick-Up

As the end of the school year approaches, it is imperative to pick up your child's medication on the last day of school. Any medication not picked up by a parent by Thursday, June 7, will be discarded. A large number of students keep medication at school so it is very important that it gets picked up. We cannot store medication over the summer.

As a reminder for next year:

- All *nonprescription* medication **must** be in the original bottle or package with the child's name clearly marked on the container. All *prescription* medication **must** be in the original pharmacy container with correct information on the label. If half tablets are to be given, the parent will be responsible for sending the medication in that form.
- All medication, prescription or nonprescription, **must** be accompanied by a "Request for Medication Administration During School Hours" form, with parent or guardian's signature. *Prescription* medications will also require a physician's signature. Medications will only be administered at school the specified times noted on the form. Any changes in dose, time or medication will require a new form, and new container with the corrected pharmacy label.
- The above rules still apply to any medication a student may need to carry with them, such as Epi-pens or inhalers. **Both** the medication and the medication administration form **must** be checked in at the office. The physician must check "YES" on the form stating "Student may carry medication for Emergency purposes."

Medication administration forms must be renewed annually. The form and medication may be brought to school in the fall prior to the first day of class. All medication **must** be brought to school by an adult. Students may not transport medication themselves.

Thank you for your help. Have a wonderful summer!

Panther Prowl 2018 is October 13th ... please lend your paws to our cause!

**JOIN US FOR PANTHER PROWL PLANNING
THURSDAY, AUGUST 9TH AT 6:00 P.M.**

(We'll meet at school. Registration day is 10a-7p that day!)
