Baby Bottle Fund Raiser

October is Respect Life Month. During this month we will again be participating in the Baby Bottle fund raiser to help women in difficult and unplanned pregnancy situations. Last weekend the Respect Life Committee distributed baby bottles with the request to have it returned with a donation for Aid for Women. If you did not receive a bottle, please obtain one from the parish center office. We ask that you return the bottle to the Church baskets on the weekend of October 24 & 25 or to a basket in the church office.

Founded over thirty years ago on the faith and teachings of the Catholic Church, Aid for Women reaches out to thousands of women each year who find themselves in difficult and unplanned pregnancy situations. Aid for Women operates three pregnancy resource centers, located in downtown Chicago and in suburban Cicero and Des Plaines. Services offered include pregnancy tests, ultrasound exams and compassionate and confidential counseling. Aid for Women's new residential program, Heather's House, located on Maryville's campus in Des Plaines, offers women and their babies a two-year opportunity to live in a safe home while developing parenting and life skills and completing their education or career goals so they can be loving, self-sufficient parents. All of Aid for Women's services are offered free of charge. More information can be found on www.aidforwomen.org.

Again, The Board of Aid for Women wants to thank all of you generous parishioners for your continued support each year. Without your help we could not continue our life-saving work. God Bless you all!

Friday October 30 Movie Night: *The Song of Bernadette*

The October Movie Night Will Feature One of the Greatest Catholic Films of All Time: It Won 8 Oscars in 1943, including Best Picture of the Year and Best Actress! It Moved the Heart of America during war. Its Message Is Timeless for All Ages, Including Ours--THE SONG OF BERNADETTE.

Can anything good come out of suffering? Is heaven deaf to our cries and prayers? Join us in watching this true story of the Miracle at Lourdes, and the "real people" who witnessed the phenomenon which continues to this day. This is a film and a story which changes lives!

Friday, October 30 at 7:30pm in St. Mary's Parish Center.
Free Admission. Free Popcorn.

Discussion and Analysis of Film after the viewing for those interested.

Good Teacher, what must I do to inherit eternal life?

If you ask the Lord this question in prayer, are you ready to respond with a joyful “yes,” or will you turn from Him with a heavy, unyielding heart. Consider following Christ more closely as a priest or in consecrated life. For information on priesthood, contact:

Fr. Francis Bitterman fbitterman@archchicago.org or at 312-534-8298 or go to www.ChicagoPriest.com

For information on religious life, contact the Office for Religious/CAVA
cava@archchicago.org, 312.534.5240

For the Permanent Diaconate program
contact Deacon Bob Puhala at 847-837-4564 or bpuhala@usml.edu.

Dinner is served from 5:30pm until 6:30pm. Before dinner, tables are set up, casseroles warmed, salads and other dishes prepared. Afterwards the facility is cleaned up and equipment put away. Foods needed: meats, potatoes, pastas, vegetables, fruits, salads & casseroles. Please leave contributions at the Parish Office (201 E. Illinois Road) until 3:00pm Friday, October 16. We are grateful for your gifts of food and volunteering. For information, please call Ellen Tierney at 847.295.4649.

School of St. Mary Celebrates Pope Francis' Visit to America

To publicly express our welcome to the Holy Father, the white and gold Papal Flag and gold mums were displayed at the entrances to both of the campuses at the School of St. Mary. Teachers used lessons obtained from the United States Conference of Catholic Bishops' webpage. Events were video streamed throughout the week in all of our classrooms. Our sixth graders published podcasts that related to the visit of Pope Francis. They covered topics such as his itinerary, speeches and his biography. These can be found on Mrs. D'Angelo's webpage located on the Upper Grade Center teacher webpages. We encourage you to check them out!

Eighth grade science teacher, Mrs. Kendrick, incorporated Pope Francis' teachings from his encyclical "Laudato Si", which addressed responsibility with science and the environment. The kids had meaningful conversations about what Pope Francis meant by his words and how they would be able to carry out his mission for the earth and the people who live here. Their illustrations of his words are on display in the hallway near the science room at the Upper Grade Center.
