What is the California Dressage Society?

It is an organization whose purpose is to foster an interest among horsemen in Dressage. The program of the Society is educational, designed primarily to offer a framework in which individuals can progress with the schooling of themselves and their horses.

How does one foster an interest among horsemen in dressage? Since dressage is a personal challenge, to initiate a real understanding, a person must start with only a mere inkling of what it might be and must follow with an insatiable desire and definite pursuit to find out what it really is.

CDS is an opportunity - to share, to experience, to learn and to contribute. But the Society is by its very nature, limited, for it is a composite venture into a highly individualized world.

The society does open the door. But it is the individual who must take the step.

What does the Society offer?

Educational activities on a statewide basis includes Riding Seminars, Instructor Seminars, National Symposiums and Judges’ Forums. The local chapters sponsor clinics, competitions, films, discussion and informal schooling sessions.

Dressage Letters, the monthly publication, offers educational literature ranging from book reviews to commentary by notable horsemen along with a complete calendar of all CDS events.

The CDS Omnibus, yearly publication, offers dressage show premiums and entry forms for your convenience in planning and entering shows for the year.
