## Date for your diary

### Community action for climate change network

The event is to celebrate the community action already taking place in Wales and the announcement of the Wales Green List for 2010.

The event will be of interest for people who are involved in community action, who are able to offer support to groups, or those who are interested in taking action locally.

#### Day 1 includes:

Inspirational speakers such as Jay Griffiths (author) and George Marshall founder (of the Climate Outreach and Information Network) and artists with commentary on climate change and sustainable development.

#### Evening of Day 1:

Environment Minister Jane Davidson will host the evening reception where we will announce the winners of the Wales Green List 2010.

#### Day 2 includes:

Launch of the innovative work on timebanking by Edgar Cahn, founder of Time Banks USA. Speakers from organisations signed up to the Assembly Government's Sustainable Development Charter to share their experiences and ideas. Sharing digital stories from community groups.
