Newton, MA--Newton residents sampling the city's best pizza can also enjoy one of the city's best deals--The Ken Parker Special at Ravioli's in Newton Centre. For just \$15.99 you get two large, one-topping pizzas, and a deal that can't be beat.

"We deliver a great pizza at a great price, and Ken Parker delivers for Newton," said Ravioli's manager Rely Cenolli.

"Ravioli's pizza has kept our campaign team energized and nourished for months, as we work on our plans to bring modern management practices to Newton City Hall," said candidate Ken Parker. "It's also a little known fact that they have the fastest chefs in town. You place the call, head out the door and the pizza is ready by the time you get there. It's amazing!"

To celebrate the launch of the Ken Parker Special, the campaign is inviting all members of the public to a free "*Grab a Slice with Ken*" event at Ravioli's on Sunday, April 19 at 6:00 p.m. Please come by, enjoy a free slice and learn more about Alderman Parker's vision to control costs and improve services for the long-term health of our city. Before and after that event, the \$15.99 Ken Parker Special will be available for all who request it until the election.

"Like the Parker Special at Ravioli's, a Parker Administration will be efficient, cost-effective and a committed to quality" said Parker's Campaign Director Shawn P. Fitzgibbons.
