

# NOT THE HEALTH REFORM WE WANT!

THE U.S. SENATE'S "VISION" ...FOR HEALTH CARE REFORM

MEANWHILE, IN BIZARRO-WORLD, WHERE EVERYTHING IS... **!ZGAWDZ!**

# THIS ISN'T THE HEALTH REFORM WE WERE PROMISED!

**Women need reform that  
meets ALL our health needs.  
NOT the Stupak Abortion Ban  
or the Senate's 2-check scheme.**

**I'm counting on you to stand  
for health reform that  
works for women!**
