E-mail address: hedgepeth@ogmsmath.com

Changes to recipient information

School information

Official name of school:
Oak Grove Middle School
Hattiesburg, MS 39402

Changes to school information

Please write a brief paragraph describing your lesson plan or project: Hurricane Katrina's impact on our community was massive as we were forced to live without power and water for weeks. Students demanded answers regarding the "how" and "why" of hurricanes. Using graphing calculators, data collection devices, and measurement kits, students will connect math, science, writing and technology to the world around them. With "The Math and Science of Katrina", we will investigate weather, its aftermath, and its environmental impact.

I acknowledge that I am the recipient of a Jordan Fundamentals Grant in the amount of \$2,500.00. I agree to permit Scholarship America to confer with my school to verify use of the award. Jordan Brand, a division of NIKE, Inc. will publicize award recipients. My signature below authorizes release of information and the use of my photograph for publicity purposes.
