## CMS GlobalSoft User Conference

April 9–12\*, 2017  
San Francisco, CA

Fairmont Sonoma  
Mission Inn

Mark your calendar for the

# User Conference

### Who Should Attend

- VP Supply Chain Executives
- IT Personnel Who Support Shipping Activities
- Traffic & Distribution Managers
- Freight Payment & Bill Reconciliation Managers
- Shipping Supervisors

### Why You Should Attend

- Learn how to reduce your freight spend.
- Network with leaders in the Supply Chain Market.
- Hear from small parcel executives on the state of the industry and its future.
- Engage with CMS senior executives & developers. Help influence new product ideas.
- Learn & share your successes with other users.
- Participate in workshops designed to help understand WorldLink Xi and Carrier Connector applications.
- Optional Wineshipping.com Tour. Visit a wine shipping 3PL in Napa, CA that houses over a million bottles of wine. Learn how they organize their process flow and ship directly to the consumer.\*

### Conference Speakers

- FedEx
- OnTrac
- UPS/ConnectShip
- USPS (Dymo/Endicia)
