Application for Enrollment

The River Academy uses an admissions procedure that resembles the application process used in many private schools and colleges. The current procedure allows the school to most accurately identify and admit students from families who have clearly expressed convictions that are similar to the school's regarding the education of children.

The selection and make-up of the school's student body is second only to staff selection in the impact it has upon the school's mission. The family-like atmosphere The River Academy seeks to foster will depend, in great measure, upon the similarity of biblical convictions and principles taught and lived out in many of the homes of our students. As the Lord blesses us with growth and change, we want to do all we can to maintain and build up that atmosphere.

The basic process for new applicants is as follows:

1. Application with Fee. Date of application will be recorded, but will not be a consideration in acceptance.
2. Student Assessment for Kindergarten and up.
3. Appointment with the Headmaster.

A student's academic achievements will be considered in the application process, but only for grade placement, not as the primary determinant for acceptance. Again, we are seeking to enroll those students who, because of their own families' priorities, will most benefit from what The River Academy can offer them.

To make this application complete, please include the following:

1. **A \$150.00 application fee per student.**
2. A copy of the most recent achievement test scores (if applicable).
3. A copy of last year's report card (if applicable).
4. Secondary student questionnaire (for students enrolling in grades 7 -12).

Notice of Nondiscriminatory Policy as to Students

In His Word, God forbids us to regard anyone with partiality: "If you really fulfill the royal law according to the Scripture, You shall love your neighbor as yourself, you do well; but if you show partiality, you commit sin, and are convicted by the law as transgressors." (James 2:8-9) Therefore, in obedience to the royal law of God, The River Academy does not discriminate in any regard, against any student or applicant on the basis of race, color, or national/ethnic origin.
