

NOTICE OF PUBLIC PRESENTATION

Village of Philmont

PLEASE TAKE NOTICE that there will be a presentation by Philmont Beautification, Inc. in joint session with the Exec. Steering Committee Chairs, Trustee Larry Ostrander and Trustee Barbara Sagal for the Summit Reservoir Area Revitalization Planning project at the end of the Village Board Meeting in the Philmont Village Hall, 122 Main Street, Philmont, New York on Monday, September 10th, 2012 at 7:00 p.m. The presentation will outline the objectives of the Brownfield Area Opportunity grant awarded to the Village of Philmont by the Department of State Division of Communities and Waterfronts aimed at creating a plan for the economic and social community revitalization of the Summit Reservoir and surrounding area. There will be a Q&A opportunity at the end of the presentation.

All persons interested are invited to attend.

What the end use of Summit Reservoir and surrounding area should encompass - what would this area look like, and how would it best serve the community if restored and revitalized, including a restoration of the reservoir?

Some excellent case studies and guide brochures for community revitalization with bodies of water and downtown industrial buildings can be found at NYS DOS Division of Coastal Resources at <http://www.dos.ny.gov/communitieswaterfronts>
