## SWIM MEET ENTRY FORM

Please indicate which events you wish to be entered for below. **Remember** *to check with your coach before entering.*

**SASA Reg. No:...***(Each swimmer has a card with this Number and MUST be included)*

Please note that it is age on the day: eg; if its 11 under competition you must be 11 or under on date shown and if it's a competition for over 11 it works the same way.

- *For competitions I issue entry times with the meet information, the information has event numbers beside the events and times.*
- *You enter the Event Number and usually the swimmers PB's. Swimmers should have a note of their own PB's (although normally it's the parents who know this!)*
- *You will find swimmers times in the results folder at pool, from their coach or from the website (when it is fully operational again.)*
- *The first digit on event numbers will indicate whether they are for session 1,2,3 or 4 dependant on the event number, ie 102 is session 1, 202 is session 2 etc. If you do not have the event numbers and correct times entered it makes collation of entries very difficult and you run the risk of the wrong swims being entered for!*

Number of 50m swims entered  @ £3.00 per swim.
