

Jefferson J-Hawk Basketball

If we are to accomplish our Mission on the floor, we must have **FAITH**. As a team, we must have faith, faith in ourselves, faith in each other and, on the basketball court, play with FAITH.

Fundamentals – We will strive to play the game of basketball fundamentally. Good teams do all the little things well. We will dedicate ourselves each day to work hard at mastering the basics.

Attitude – Jefferson Basketball coaches, players, managers, etc. will have a positive, pro-active, humble attitude. Sportsmanship and fun on the court and with our teammates are our top priority. Our attitude will reflect the hard work we have put in.

Intensity – In science, intensity measures the level of strength. Jefferson J-Hawks will be strong on the floor both physically and mentally.

Teamwork – Everybody must work together and trust each other for us to be successful. No one will win a game on their own, it takes a team effort. We will strive to have a unity with our teammates that will be unequalled anywhere.

Hustle – The difference between good and great teams comes up in hustle plays. Offensive rebounds, deflections, charges taken, and diving on the floor are just some of the plays that will make us great.
